Background and experience

Please briefly present the partner organization.

Association Euro-Méditerranéenne des Echanges, Volontariats, Evénements (MAROC) is a cultural non-governmental organization whose objectives are :

- To increase knowledge of youth and children and better develop their cultural level so that they get involved in the building of the country.
- To encourage the integration of youth in political life
- To highlight the notions of open-mindedness, tolerance, and the acceptance of others in different social strata.
- to Promote Gender balance
- To contribute to the building of a cultural bridge between Moroccan youth and Euro-Mediterranean youth for exchange of knowledge, experiences and access to other cultures.
- To contribute to the integration of our Moroccan culture in the Euro-Mediterranean space.
- To contribute to the expanding of principles and values of democracy.

The association also works to strengthen the relationships between Moroccan and Euro-Mediterranean youth through:

- The establishment of youth exchange programs and travels.
- Improve the situation of fewer opportunities and Equality gender.
- The planning and organization of cultural youth events on the national and international level.

What are the activities and experience of the organization in the areas relevant for this application?

The partner organization from Morocco EUROMED EVE is an organization, which creates opportunities for young people who would like to be an active, try and learn something new and gain new experience and knowledge for personal and professional development. We want to enrich the educational, social and cultural life of young people living in our country, mainly young people with fewer opportunities. We believe that young people must become a driving force in building the society in which they live and therefore we create various opportunities in order to help shape a generation that is determined to change our country/and world for the better.

We are very active in the field of youth and adult education as holders but also as partners of different kind of projects in our country. The key for us is to work on both local and international projects and we try to cover broad scale of themes and topics according to what our target group finds interesting. We focus mainly on youth participation, intercultural understanding, active citizenship, entrepreneurship, sport, healthy life style, peace building, but also art and culture.

The activities of the organization are based on the approaches of non-formal education, experiential and intercultural learning, social inclusion and active participation. Our activities include but are not limited to educational projects (youth exchanges, trainings, seminars), networking and cooperation, awareness raising and policy development, capacity building, coaching of initiatives, organizational and individual coaching; mobility.
